

CURRICULUM VITAE

1. Family name: OHEIX
2. First names: Bruno
3. Date of birth: 03/03/1969
4. Nationality (passport holder): French
5. Residence/address: 14 Po Box 298 Ouagadougou 14, Burkina Faso
Phone: + 226 71 404 404
oheixbruno@outlook.com

6. Education:

Institution [date from - date to]	Degree(s) or Diploma(s) obtained
AgroParis Tech – ENGREF (France) National school for rural engineering and forestry https://www.agroparistech.fr/ Oct. 1999 to May 2001	M.Sc. in tropical agriculture and rural development Forest and water engineering
University of Nancy I / INRA , France http://www.uhp-nancy.fr Sep. 1996 to Sep. 2000	PhD in Forest Biology
University Kossuth Lajos, Debrecen, Hungary http://www.unideb.hu Oct. 1995 to Sept. 1999	PhD in Ecology and climatology
University College Dublin http://www.ucd.ie/ 1995	Course in International Management 6 months Erasmus student
University of Saarbrücken, European Institute, Germany http://www.europa-institut.com Oct. 1993 to May 1995	M.Sc. in Political Economics (environmental economics)
European School Federation (FEDE), Geneva http://www.ecole-europeenne.com 1993	DEESMA (Switzerland) (European diploma for higher studies in Management)
ESG Management School, Paris http://www.esg-edu.com/business-school-paris.html 1991-1993	Diploma in Management and Negotiation
Chambre de Commerce et d'Industrie de Paris http://www.advancia.fr 1988-1991	CCIP diploma in International Trade

7. Language skills: Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
French	1	1	1
English	1	1	1
German	1	2	2
Hungarian	5	4	5
Spanish	4	5	5
Mandarin	-	5	-

8. Membership of professional bodies:

Founding member and President of the Alumni club Universität Sarrelandes (1994-1995)
 Awarded Cast EU /RELEX 2008 FGIV for Rural Development, Food Safety and Environment
 Member of LinkedIn group for REDD+
 Awarded the Certificate of completion "REDD+ e-ACADEMY" of the UNEP (2016)
 Awarded the Certificate of completion "Climate Change" of the UN CC:LEARN (June 2016)
 Completed the Module 7 (Climate change cities) of UN-HABITAT

9. Present position: WB-EU-BAD / Ministry of environment, Climate Change and green economy of Burkina Faso

10. Years: 19 years of experience

11. Key qualifications:

Mr Oheix is a senior scientist and economist with 16+ years' experience in (urban and rural) sustainability implementation, project management, conducting studies and teaching (in China and Africa). His experience ranges from technical assistance to policy and strategy design i.e. Ministries support, capacity building, international development cooperation (incl. EU-Asia) and PPP. Mr Oheix has several experiences working with donors and has thus been able to gain a strong understanding of a wide range of perspectives (from scientific aspects to strategy design, programming and capacity building) in relation to environment, social science, project development/design/evaluation and climate change mitigation (incl. forestry, energy and transport) and adaptation.

Technical qualifications:

- ✓ Sound technical experience in Programming, Monitoring & Evaluation of Technical Cooperation programs (Rural/ suburban socio-economic development, climate change mitigation, Agriculture, REDD+, LULUCF, Green energy, Food safety, waste management, biodiversity, Eco-tourism, etc.) as well as need to address cross-cutting issues (e.g. **Gender equity, benefit sharing, pro-poor strategies**).
- ✓ Strategy and work plan design, Budget planning. Policy design. Elaboration of ToR.
- ✓ Strategic, trend and prospective analysis.
- ✓ EU-On the Spot check, quality control and Project Cycle Management (PCM) evaluation. Design of Monitoring tools. Elaboration of Criteria & Indicators of Achievement /Efficiency ex-ante Control and Evaluation.
- ✓ Enhanced knowledge of EU grant projects and schemes with International Organisations (incl. UN and WB).
- ✓ Development of academic curricula. Lecturing. Teaching.

Horizontal competencies:

- ✓ Extensive experience in Capacity building, Training, Seminars/workshops organization and chairing.
- ✓ Networking activities and Networks design; Project evaluation/review/assessment; NSA and LA capacity strengthening; CSO/NGO support; Support to communities; Support to public-private sector partnerships; Communication campaign design; etc.

12. Specific Experience: *EU-IUC programme ToR requirements for Key Expert:*

- **Education of at least Master's Degree level:** PhD in Forestry, PhD in Ecology and climatology, Master in Rural development, Master in Economics, B.Sc. in Management and negotiation.
- **Experience in leading team:** 12 months as TL Climate Change in institutional WB-EU-Government programme in Burkina Faso (5 senior staff supervised); 5 months chief coordinator for EU-Life (10 evaluators supervised); 3 months TL in Gabon for a socio-environmental impact study (4 staff); 13 months in Beijing at EUD (supervised the Ulaanbaatar office); 8 months in Gabon at SBL as Quality certification manager (supervised 12 technical and admin staff); 24 months in Congo Basin for EU-WWF sustainable management project (managed 3 expatriates and 18 national technicians); 18 months in Hungary as TL for EU Life project (managed a full lab team of 9 researchers, coordinated 5 NGOs and 5 Mayors environmental offices).
- **Experience on EU-Asia:** 13 months at EUD-China (Beijing); 11 months EUD Turkey (Ankara); 30 months (2013-2015) as consultant in China: 18 months for the private sector (NGO, incl. Asia-Switch project design with Agreenium/INRA) and 12 months at University Lanzhou); 5 months EU-Life Projects evaluation (incl. climate and energy) in Brussels; 6 months in Brussels on strategy design for a World convention on forest (incl. Asia, energy and CC), 3 months World round-trip for a EU-World forestry network feasibility study (incl. Climate, incl. energy, incl. Vietnam); Cumulated 24+ months full-time home-based expertise on EU-ACP-Asia projects' assessment (incl. Asia Switch) as a consultant; etc.
- **Expertise on Urban development, Climate action, sustainable energy:** 12 months on CC programme in BF as TL; 12 months expert/teacher in CC, green/renewable energy in Lanzhou University-China; 12 months at EUD China as CA in charge of large project portfolio incl. cities' air quality, incl. support to PDSF; 24 months in the Congo Basin for a EU project aiming at SFM, Carbon sequestration, households income generation and energy saving from the industry; 18 months in Hungary as a TL for cities' air pollution monitoring with correlation to car traffic, SO₂/NO_x/O₃ emissions and the industry, etc.
- **Task 2 (promotion, awareness, visibility):** 3 web sites created; Videos; Media training; Use of "Teri stories" (CIRAD) methodology; Use of social network; Use of Youtube; Extensive knowledge of EU visibility guidelines; etc.
- **Capacity building/training (Task 3):** 1 year in Burkina Faso in charge of institutional capacity building (200+ civil servant trained); 2 years in the Congo Basin; Several training for the trainers; 3 years teacher in universities, etc.
- **Experience from EU's Covenant of Mayors initiative and sub-national entities (incl. Task 4):** Experience of Covenant of Mayors initiative and (former) Mayors Adapt as a EU-project expert evaluator; Set up national guidelines for the reformulation of 32 PCD (Plan Communaux de Développement) taking into account Climate adaptation/resilience, Energy saving and Water in Burkina Faso.

□ **Task 5 (liaison regional and national authorities, networks, financial institutions):** 1 year in Burkina Faso in charge of implementing a REDD+ R-PP at the level of the Ministry; 2 years in the Congo Basin as TL implementing an EU project with the Ministries and local authorities; etc.

□ **Communication, facilitation and negotiation skills:** Expert in negotiation (incl. PPP); Extensive experience in workshops organisation and moderation; etc.

□ **Experience in EU external aid procedures:** 4 years at EU-Delegations; In depth knowledge of EU procedures (PRAG –IPA - EDF).

□ **Experience in EU policy and action in fields covered by the project:** Experience of EU policy (Evaluator for Life programme/ ENRTP/), Knowledge of EU policies and global initiatives (e.g. EU-Horizon 2020 smart cities, B4Life, Aichi targets, WB-CIF, GPC accounting by IISD; Cool earth partnership Japanese financial mechanism; Major city networks, Local Governments for Sustainability (ICLEI) network, United Cities and Local Governments (UCLG) and the C40 Cities Climate Leadership Group.

□ **Experience with research community, private sector, FIs:** 6 years as a researcher in Universities; 2 years working with the private sector; Coordinated institutional partnerships with FIs (WB, FCPF, EBRD, Althelia, Agritech, etc.).

□ **Experience of working in China (...) preferably in the fields covered by the project:** 1 year at EUD to China; 2+ years as a teacher/researcher/conference man at University Lanzhou and for “Laboratory of Western China's Environmental Systems”, an environmental NGO with focus on energy.

□ **Knowledge of Mandarin Chinese :** Basic. 1 year course at the EUD Beijing. A total of 42 months of full time residence in China (with working permit).

13. Professional experience (selection)

Feb 2012 Dec 2012	Turkey	EU Delegation Ankara Gamze.devinci-@eeas.europa.eu P : (+90 312) 459 87 00	Finance and procurement Manager	- Contributed to implementation of IPA I for infrastructure and Environment. - Appraised compliance towards Financial Regulation and PRAG. - Gave support to the private sector and NSAs through grants programmes. - Trained civil servants of two (2) newly accredited Ministries (EU Affaires, Labour) about procedures in relation to EU Decentralisation process. - Drafted a survey on the cost of Technical Cooperation and Impact measurement, modelling (45 p.).
Jan 2012	Home based	Agriconsulting Europe vincentbrackelaire@gmail.com	Consultant	- Evaluation Monitoring of development and Global/Regional Networking projects. - Lead assessing in appraising and ranking NSAs grants for funding under EU Budget Lines.
Jan 2010 Dec 2011	Montenegro	European Union Delegation Vuka Karadžica 12; 81000 Podgorica; Todor.TODORIEV@eeas.europa.eu P: +382 (0) 20 444 600	Finance Contract and procurement Manager	- In charge of Grants and Service contracts for Infrastructure, environment and Agriculture. - Chairman or Expert (Voting Member) in Tender evaluations (for service, works, grants or supplies) - Appraised compliance towards Financial Regulation and PRAG. Drafting reports on Tender Evaluations and formulating recommendations for grants in environment protections/norms, Twinings on environmental acquis and infrastructure (works). - Drafted a recommendation guide for tender M&E as per PRAG and IPA FR/IR (21p.)
May and Sep 2010	Home based	Agriconsulting Europe David Mac Cormick david@mccormickit.com	Consultant	- Evaluation of NSA and Local Authorities projects in Agriculture, poverty reduction, climate change, forestry and Environmental protection in the tropics (budget line EuropeAid/129492/C/ACT/TPS) - Lead assessing in appraising according to EU procedures and strategic position
Oct. – Nov. 2009	Home based	Agriconsulting Europe 1040 Bruxelles, Lara Beltram, Elisabetta Basile +32 (0) 2.736.22.77	Consultant	- Evaluation of project under the thematic "Environment and sustainable management of natural resources, including energy" (budget lines EuropeAid/128320/C/ACT/MULTI). Incl. climate mitigation measures. - Lead assessing in appraising according to EU external aid procedures, tendering and strategic position
July –Sep. 2009	Gabon	Eni / AGIP Wally Environnement Résidence du Golf, BP 13650, Ms. Gwenaëlle Gouraud	Team Leader (4 experts)	- Drafting the Environmental Impact Study for a 3D oil prospection (150 p.) - Analysis of social impacts and drafting socio-economical action plan (90 p.) - Drafting security and health measures/norms (CSP, ERP & MERP)
Feb.–Mar. and May- June 2009	Home based	Agriconsulting Europe Avenue de Tervuren 36 - B-21 ; 1040 Bruxelles, Belgique Lara Beltram, Elisabetta Basile P: +32 (0) 2.736.22.77	Consultant	- Evaluation of Non State Actors and Local Authorities projects in Agriculture, Forestry, climate change (climate mitigation) and Environmental protection in the tropics (budget lines EuropeAid/127764/C/ACT/TPS and EuropeAid/127763/C/ACT/TPS) - Lead assessing in appraising according to EU procedures and strategic position

Date from – Date to	Location	Company & Reference person	Position	Description
Sept.2007 – Sept. 2008	China	EU Delegation 4th Floor, Qian Kun, 6 Sanlitun Xi Liu Jie, Beijing 100027 ; China Supervisor: Ms. Lea Vuori ; Lea.VUORI@eeas.europa.eu	Operating officer in charge of Mongolia Managing/ supervising the EU office in Ulaanbaatar	- Managed a portfolio of 15 projects (Euro 26 million). - Contracted 9 new projects (incl. 2 bilateral projects and 7 projects from 2 different budget lines) for a grand total amount Euro 23 million. - Project identification and evaluation, incl. collaboration with other donors (WB, UNIDO, EBRD, etc.). - Evaluation of projects (completing evaluation grids) under several budget lines. - Preparation of political visits including Briefing notes (background briefings, speaking notes, defensive points, etc.) and agenda development. - Updated EU Mongolia strategy for Non State Actors (NSA). - Established a Network EU Del / Mongolian EU officers (with the 4 main Ministries). - Official representation and protocol obligations in Mongolia and China. - Gave assistance to Policy Dialogues Support Facility project (PDSF) with China. - Co-drafted ToR for research on climate change and water resource with GTZ. - Gave support to facilitation of FLEGT-REDD+ discussions for China/EU. - Design strategy program (multi-donor coordination) for MIP extra Euro 4 million budget allocation to projects on climate, CO₂ emission from household's' private stow (with EBRD) and pollution. - Provided input to the NIP for China and Mongolia - Gave support Press & information section, visibility actions, public relations.
Feb. - Mar. and May - June 2007	Home based	Agriconsulting Europe Lara Beltram, Elisabetta Basile +32 (0) 2.736.22.77	Consultant	- M&E of NGO projects in Agriculture, Forestry, climate change, energy and Environmental protection. - Lead assessing in appraising according to EC external aid procedures and strategic position.
June 2006 – January 2007	Gabon Ghana	SBL-TRB, BP 38 69 Libreville, (Total of 520.000 ha concession) with IFL M. Stephan Vergnaud (manager) Tel: + 241 74 56 50, 07 28 76 00	Quality and certification manager. Team leader of certification office	- Implementation of a new structure for forest certification purposes (staff recruiting and partnership contracting). Team and Office leader. - Environmental impact study (pre –and post exploitation). - Technical advises for social & environmental aspects improvement. - Updating low impact logging procedures; Field implementation of technical new orientations. - Communication campaign design and implementation (Brochure, CD Rom, poster, press articles, etc.) - Managed a team (certification team) of 18 staff
March - April 2006	Home based	Agriconsulting Europe Elisabetta Basile +32.(0)2.736.22.77	Consultant	- Evaluation of technical and financial quality of projects in Agriculture, Forestry, Climate change, tourism and green energy. - Lead assessing in appraising in ranking according to EC procedures and strategic position
Dec.2005 - February 2006	Guinea	GFA Terra Systems KfW funded project Eulenkugstr. 82 ; 22359 Hamburg; Ms. Langemann Phone +49 40 60 30 61 00	Consultant	- M&E of technical feasibility of a certification scheme for two (2) forests in Guinea. - Review of the project (funded € 12 million by KfW – Germany). - M&E of the 5 years project cycle (strengths and weaknesses). - Evaluation of the partner -private logging company- (including technical –harvesting &wood processing, and financial aspects as well as strategy towards certification). - Organised and conducted seminars and workshops on forest management Seminars and workshops involved the following topics: biodiversity, forest management, silviculture, social issues.
Sep. – Nov. 2005	Gabon	SBL-TRB, BP 38 69 LB	Consultant	- Evaluating the company (structure-staff- achievements) and the management plan. - Support in company strategy building up for FSC certification (action and calendar design). - Gave <i>in situ</i> trainings on forestry issues related to certification (biodiversity, SFM).

Date from – Date to	Location	Company & Reference person	Position	Description
May - July 2005	Guyana, PNG and Gabon	Agriconsulting Europe Project under EU funding P: +32 (0)2.736.22.77	Consultant in a team	- Organizing and moderating workshops in three regions (Guyana, Papua New Guinea and Gabon) with representative researchers of 22 countries (ACP region + South East Asia, incl. Vietnam). - Drafting a feasibility study aiming to establish a Network in forestry research (including climate change) with strategic, budget and scientific planning.
March 2003 – April 2005	Cameroun Gabon Congo CAR	WWF (SFM-CAP Project). EC funded (Euro 3 millions) regional project for SFM, health, food security and energy efficiency WWF-Belgium, Boulevard E. Jacqmain 90, 1000 Bruxelles WWF CARPO; Dr. Andre Kamdem Toham, Phone: + 237 78 31 61 65 kamdem_toham@yahoo.fr	Regional Technical Coordinator Regional Project leader (42 staff/experts, incl. 12 engineers staff)	- Drafted annual plans for field activities and budgets. - Recruited permanent national staff and experts for short assignments. - Drafted ToR for national and international experts working for the project. - 15 Camps and Factory/Plant Auditing (incl. energy efficiency, waste, and environmental protection). - Conducted M&E of 15 wood processing companies in the Congo Basin. - Coordination of scientific research and tasks on the field: social (incl. health care and food security), ecological (water resource, climate change, biodiversity) and economical aspects (incl. energy efficiency, energy saving and development of green energy). - Organiser and Focal point of the WGFT (working Group on Forestry and Trade) Network for Gabon, Cameroon and CAR (drafting entry requirement, status, and various strategic documents). - Delivered a presentation in London on GFTN and FLEGT. - Organised seminars and workshops on sustainable forestry, energy and carbon trade. - Teaching forest certification, Sustainable Forestry Management and climate change at the National School of Forestry (ENEF, Gabon).
February 2003	Gabon	GFA Terra Systems Ms. Langemann P: +49 40 60 30 61 00	Consultant	Forest Certification, Audit, Accreditation Courses Conducted 'training the trainers' modules on: - Monitoring & Evaluation , - FSC forest certification, auditing, accreditation
Jun - Sep. 2002	Gabon	AGRER Av. Louise, 251 b23, B-1050 – Bruxelles, Belgique; Franck Feys, Tél.: +32 (0)2/6406310; frank.feys@agrere.com	Consultant	Forest Governance and Sustainable Forestry Management in Congo Basin Co-writer of the report "Central Africa Forest Outlook" ; URL: http://www.forac.net; Issues relating to Sustainable Forestry Management, including climate change, conservation, NWFP, social and cross-cutting issues. - Drafted criteria and Indicators for SFM. Designed wood tracking strategy and tools. - Co-designed schemes of Satellite Imagery use for mapping and tracking illegal logging. - Organisation of seminars on research in forestry (conservation, sustainable forest management).
January 2002	Chile	Certforchile Mr. Eduardo Morales	Consultant	- Review of technical items and procedures. - Wrote a scientific article on forest certification in Chile. REF: Fundación Chile, Av. Parque Antonio Rabat Sur 6165, Vitacura - Santiago, Chile;
November 2001	Gabon	GFA Terra /GFA Holding AG Ms. Langemann P: +49 40 60 30 61 00	Consultant WWF	- Co-chairman of the conference "Criteria and Indicators of forest management". - Co-organisator and facilitator of the working group for M&E.
July 2000 to March 2001	Gabon	CIRAD phone : + 33 (0)4 67 61 57 01	Researcher	- Drafted a review on the theory and use of sustainable forest management (SFM) criteria and Indicators (ecological, socio-economic and political impacts) world-wide (including climate change).
18 months between Dec 1999 and May 2002	Hungary	Hungarian Environmental Ministry, EU project (931,000 Euro) Piac Utca 9b, 44000 Debrecen, Dr. Pal Papai P: +36 52 511 000	Project initiator and designer. Project leader	- Responsible for overall project setting up (including all scientific aspects) and LIFE programme submitting. - Definition of the scientific protocols for research in air quality and climate change indication using urban vegetation and laboratories vegetal material in 5 cities of Eastern Hungary (Nyiregyhaza, Debrecen, Miskolc, Gyula, Békéscsaba). The project was extended to Romania - Preparation of strategy documents: technical support, public information dissemination. - Coordination of the 5 mayors' environmental offices. - Coordination of local consultants, media training, 5 NGOs, reporting to Brussels.

Date from – Date to	Location	Company & Reference person	Position	Description
February to April 2000	Cameroun Maroua Garoua	CIRAD – IRAD Regis Peltier P: + 33 (0)4 67 61 57 01	Expert in a research team	- Responsible for conducting an evaluation of land use and socio-economic practices. - Assessment of the sustainability of land use towards a possible land/forest management.
June to Oct. 1999	Belgium	European Commission DG XI Unit A4 Christophe Bail; Dieter Schöne	Sponsored internship	- Member of writing team for the EC's position paper on "People, Trade and Environment" (including wood energy, migrations and vulnerable populations) for IFF III. - Evaluation of projects requesting EC funding under the SMAP programme. - Co-evaluation with a DG VIII team for tropical forestry development projects.
August 1998 to April 1999	Hungary	Debreceni University 4032 Debrecen, Egyetem tér 1. Prof. Toth Janos Attila P: + 36 20 512-900	Project Leader (UN funded) OMFB	- Definition of joint research and teaching programmes (in forest, ecology and climate) with Universities in Central Europe and with University UHP Nancy (in association with INRA). - Organisation of regional conferences and workshops. - Followed up Master students' work.
June-July 1997	Hungary	French Embassy. PEE; P. Sándor utca 11. H-1052 Budapest Tél.: 00 36 1 327 0240. E-mail: budapest@dree.org	Consultant for the French Embassy	- Drafting a survey on the environmental protection economic sector in Hungary (50p.) - Focus on privatisation and business opportunities related to water sanitation, infrastructure rehabilitation, air quality, land degradation, energy sector, roads and agriculture. Needs to develop the research.
June 1995 Feb. 1997 (20 M)	Germany	University of Saarbrücken, European Institute, Germany Prof. Dr. Pommerene Phone: +49 (0) 681 / 302 - 2553	Consultant researcher for the Univ. Saarbrücken	- Drafting academic surveys/studies on the energy sector and the links with air pollution, CO ₂ emissions and Climate change issues. - Gave conferences to students. - Co-established research study plan/curricula for new students in Masters.
Sept. 1990 May 1992 and Oct. 1992 May 1994	France (Paris) and Germany	CCIP 41 Ave. Trudaine; 75009 Paris Phone : +33 (0) 1 49 70 61 00 and Aachen (Mr. David Martin	Trainee and later consultant in a team	- Market research for machinery producers and exporters within Europe. - Studies on CEC trade and reforms of the European Union Act for Custom clearance.
