Individual Clients Requirements & Requests per Order:

- Textron need to supply 50t of refined shea to a good reliable client and they buy about 15/20t natural shea and 5t per year of organic shea for themselves.
- For their loyal supplier that has been purchasing 50t of shea butter for the last 5 years we need to be able to ship the shea butter in large metal drums as opposed to current plastic drums. This is a major criteria in choosing a new shea butter supplier.
- Emailed LOI 4/4/19 & WK LOI 11/4/19 and asked for specific metal drum packaging specifications

Follow Up Procedure per Order:

Date:

- Vols expected: >50t/year of refined shea butter

>15t natural shea butter/year

>5t organic shea butter/year

- Requesting fair trade and organic pricing and premium price for natural shea butter
- Absolute requirement is the metal drums that the shea butter is delivered in with a pull-back loop opening on the top of the drum.
